

**CRBR - Cleanrite Buildrite**

1200 W East Avenue  
Chico, CA 95926  
(530) 891-0333

Dear Valued Customer:

**The Business History & Foundation**

In 1959 my family started in the cleaning business. For 50 years we have maintained the highest level of quality and commitment to service in the North State. CRBR has been built on several objectives; here are the ones that have built our foundation.

- Personal and professional integrity - ownership
- A focus on maintaining 100% customer satisfaction - “cheerleader customer”
- Providing excellence in every job we do – quality of workmanship
- Commitment to community – giving back
- Employ quality employees; highly trained, certified, licensed and bonded – Great Teams
- Deliver the finest cleaning & restoration services in Northern California – pride

**Servicing the Industry and Communities**

I am proud to be part of an industry that responds to a community in their time of great need. We stand by, ready to help 24 hours a day, 7days a week and 365 days a year. Our employees are supported with the latest equipment and training required to serve on any type of call that comes our way. It is the service that we provide to people in time of need that gives me the most satisfaction in what we do as a company.

Whether it is carpet, rug, flooring or upholstery cleaning to a complete re-build of a property devastated by fire, water or wind damage, I take great pride in knowing that our Teams can respond and help in the most professional way possible.

**Affiliates & Achievements**

In the community we support all First responders, American Red Cross, Hospice, Habitat for Humanity, Rotary, Boys & Girls Club, Veterans, Youth Sports and Education just to name a few. We are involved in several claims associations and I have served on several boards that service the Northern California communities.

I welcome you to experience the CRBR family of services. Our Teams are here for you when needed.

Sincerely,

*Danny J. Anderson Sr.*
